ARTICLE III
MEMBERS OF THE STATE EXECUTIVE COMMITTEE

Section 1. A. The Executive Committee shall consist of sixty-six (66) members. They shall be elected at each regular August Republican primary election immediately before the election of the Governor in the same year. One bona fide Republican man and one bona fide Republican woman shall be elected to the Executive Committee from each of the thirty-three (33) State Senatorial Districts, by the voters of each respective District qualified to vote in such Republican primary. Each Executive Committee member shall be a legally registered voter in the Senatorial District from which he is elected. He shall have voted in the last three Republican primaries in his county of residence during those primary elections. Younger Republicans who may not have been of legal age for three primary elections must obtain approval from the state Chairman.¹ The Executive Committee shall serve a four-year term, commencing September 15 following its election. Upon commencing his term, each member shall qualify by taking the oath of office, which shall be filed with the State Coordinator of Elections.

B. Bona fide Tennessee Republicans holding the following offices and positions shall be entitled to receive notice of, and attend, all meetings of the Executive Committee: The Governor; any U. S. Senator or Congressman; the Republican Leaders of the Tennessee House of Representatives and Senate; the State Election Commissioner, Secretary of State, Comptroller and Treasurer; the Republican National Committeeman and Committeewoman; the County Party Chairmen; the Chairmen of the Congressional District Republican Executive Committees, if any; and the State Chairman or President of the Federation of Republican Women, the Young Republicans, the College Republicans, any statewide organization of African-American Republicans, and the Teenage Republicans.

Section 2. A. If a member of the Executive Committee dies, resigns, or is removed from office during his term, the State Chairman shall appoint a committee of at least three (3) Executive Committee members, including the other member from the District from which the vacancy exists. The committee shall recommend a replacement at the next meeting of the Executive Committee. At that meeting, other nominations shall be permitted to be made from the floor. The Executive Committee shall elect a successor by majority vote of the members present and voting. Proxies shall be permitted for this purpose. If no candidate receives a majority vote, a run-off shall be held between the two candidates receiving the highest number of votes. If there is a tie, successive votes shall continue to be taken until there is a winner of a majority vote.

B. A member of the Executive Committee who is elected to fill a vacancy shall serve until the next regular August primary election, at which a successor shall be chosen by the voters of the Senatorial District in question.

C. A person elected to fill an unexpired term under Section 2A or 2B above shall be a bona fide Republican of the same gender as the former member, and a legally

¹ Pursuant to the minutes from the December 3, 2011 State Executive Committee Meeting, the phrase referencing “the last three Republican primaries in his county of residence”, was approved with the understanding that this would not require one to have voted in three primaries in the same residence. Thus allows for an individual to have moved from county to county and state to state.

1 registered voter in the Senatorial District from which the vacancy arose, under the
2 reapportionment law then in effect.

3
4 D. If no one qualifies or is elected to a position on the Executive Committee
5 at an August primary election under Section 1 or Section 2B, the vacancy shall be filled in
6 accordance with Section 2A.

7
8 E. If, solely because of reapportionment, a member ceases to be a legally
9 registered voter or resident of the Senatorial District from which he was elected, this shall not
10 constitute grounds for removal or declaring the position vacant.

11
12 Section 3. An Executive Committee member shall automatically cease to hold office,
13 and a vacancy shall exist, in the event of change of his place of voter registration outside the
14 District which he represents (except in the case of reapportionment during the member's term, as
15 stated above), or for having been physically absent from three (3) consecutive Executive
16 Committee meetings. This provision shall not apply to an absence from meetings that have been
17 rescheduled from the previously announced date. An Executive Committee member shall have
18 an affirmative duty to give notice in writing to the State Chairman of a move outside the District
19 which he represents. The Secretary shall announce at the beginning of each Executive
20 Committee meeting the name of any member who has become disqualified because he has
21 moved outside his District, and shall announce at the end of each meeting the name of any
22 member who has become disqualified because he has been physically absent from three (3)
23 consecutive Executive Committee meetings. The State Chairman shall proceed to fill the
24 vacancy in the manner set forth herein.

25
26 Section 4. In addition to the foregoing reasons for automatic removal from the
27 Executive Committee, a member may be removed for cause. "Cause" shall consist of
28 disqualification, violation of the oath of office, or serious violation of the material duties of
29 office (including, but not limited to, ceasing to be a bone fide Republican). "Disqualification" is
30 defined as open and overt support of a declared non-Republican candidate in either a contested
31 primary or general election in which candidates run under party labels; or having been
32 determined by the Executive Committee to have engaged in conduct unfit for a member of that
33 body. To remove a member for cause, at least two other members must file a written motion
34 with the State Chairman, stating the specific reason for the proposed removal. They must also
35 send a copy to the member for whom removal is being proposed, by certified mail, return receipt
36 requested, addressed to the member's last address known to the State Chairman or the Secretary.
37 Such motion shall be filed and the copy sent at least forty-five (45) days before the Executive
38 Committee meeting at which the motion to remove is to be acted upon. After receiving the
39 motion, the State Chairman may appoint a committee to investigate the facts set forth in the
40 motion. At the Executive Committee meeting at which the motion is considered, the member of
41 whom removal is sought, and those requesting removal, shall have the right to be heard, present
42 evidence, and call witnesses. It shall not be necessary to follow the rules of evidence or other
43 procedures followed in courts of law or equity; hearsay evidence shall be allowed. The
44 affirmative vote of two-thirds (2/3) of the Executive Committee members who are physically
45 present and qualified to vote at the meeting at which such vote is taken, at which a quorum of
46 thirty-four (34) members is physically present, shall be required for removal. Proxies shall be
47 permitted on other issues voted on at such a meeting, but shall not be permitted on the vote for or

1 against removing the member. If the member is removed, his removal shall take effect
2 immediately upon the State Chairman's announcement of the vote. The vacancy shall be filled in
3 accordance with Section 2A above.
4

5 Section 5. This Article III is based upon Tennessee Code Annotated (hereinafter,
6 "TCA") Sections 2-13-103 through 1-13-105 and any related sections which create and form the
7 legal authority for the Executive Committee. Amendments of any of such sections shall
8 constitute automatic amendments of these Bylaws, if such amendments conflict with or are not
9 covered by these Bylaws.
10

11 **ARTICLE IV** 12 **OFFICERS** 13

14 Section 1. The Officers of the TRP shall be the State Chairman, the Vice-Chairman,
15 the Secretary, the Treasurer, the Vice-Treasurer, and such other Officers as the Executive
16 Committee deems appropriate. The Officers need not be members of the Executive Committee.
17 The Executive Committee shall elect the Officers in December of each even-numbered year.
18 Any contested race for Officer shall be conducted by secret ballot. Proxies shall not be permitted
19 in the election of Officers. Officers shall serve a term of two (2) years or until their successors
20 are elected and qualified. Officers who are not members of the Executive Committee shall not
21 vote at Executive Committee meetings. If no candidate receives a majority vote, a runoff shall
22 be held between the two candidates receiving the highest number of votes. If there is a tie,
23 successive votes shall continue to be taken until there is a winner of a majority vote.
24

25 Section 2. Officers can be removed, with or without cause, by the affirmative vote of
26 two-thirds (2/3) of the Executive Committee members who are physically present and qualified
27 to vote at the meeting at which such vote is taken, at which a quorum of thirty-four (34)
28 members is physically present. Proxies shall be permitted on other issues voted on at such a
29 meeting, but shall not be permitted on the vote for or against removing the officer. The
30 procedure to be followed for removal shall be the same as that set forth for removal of Executive
31 Committee members in Article III, Section 4 above.
32

33 Section 3. The State Chairman shall be the Chief Executive Officer of the TRP and
34 of the Executive Committee. He shall be responsible for the management and administration of
35 the affairs of the Executive Committee. He shall preside at all meetings of the Officers and of
36 the Executive Committee; coordinate the political activities of the TRP; and supervise and direct
37 advance planning of the political activities of the TRP, including consulting with the campaigns
38 of Republican candidates in general elections. He shall preserve decorum and order at meetings,
39 and shall decide all questions of order and procedure, subject to an appeal by any member to all
40 Executive Committee members present when the question of order arises. He shall be a member
41 of all subcommittees. He shall submit an annual budget to the Executive Committee not later
42 than three (3) months before the close of each fiscal year. He shall approve (by his signature) all
43 check requests for disbursements of TRP funds, and a copy of the check for the disbursement
44 shall be attached to the check request and maintained as part of the Party's financial records. He
45 shall have such powers and responsibilities as shall be delegated to him from time to time by the
46 Executive Committee, and those general and customary powers which are usually exercised by
47 chief executive officers. He may employ staff personnel, and establish their compensation.

1 Such positions and compensation shall be subject to the approval of the Administrative
2 Subcommittee created in Article VI, Section 1 below. However, the State Chairman shall have
3 full and unlimited discretion as to the persons who are employed to fill such positions, and as to
4 their tenure in such positions. Upon the election of a new State Chairman (at the beginning of a
5 term or to fill a vacancy), the Executive Committee shall determine whether the State Chairman
6 shall be compensated; and, if so, the level of such compensation.
7

8 Section 4. The Vice-Chairman, who shall be the sex opposite the State Chairman,
9 shall perform the duties of the State Chairman in his absence. If both the State Chairman and the
10 Vice-Chairman are absent from an Executive Committee meeting, the Executive Committee
11 shall elect a temporary State Chairman to preside at such meeting.
12

13 Section 5. The Secretary shall take the minutes of each meeting of the Executive
14 Committee and the Administrative Subcommittee created in Article VI, Section I below,
15 including all such meetings held by conference call. If the Secretary must be absent from such a
16 meeting, he shall be responsible for obtaining a replacement. The Secretary shall perform such
17 other duties as may be assigned by the State Chairman or the Executive Committee. All records
18 of the Secretary shall be and remain the property of the Executive Committee, and shall be
19 maintained at the principal office of the Tennessee Republican Party.
20

21 Section 6. The Treasurer shall be responsible for implementing an internal system of
22 financial controls, shall review TRP books on a monthly basis, shall be available to assist the
23 Party's bookkeeper and the State Chairman as needed, and shall be responsible for preparation of
24 standard yearly financial statements. The term "internal system of financial controls" shall
25 include, but shall not be limited to, maintenance of all bank statements and cancelled checks and
26 deposit records, photocopies of other copies of all receipts and disbursements, and the invoices,
27 check requests or other documentation substantiating each disbursement; copies of
28 documentation of all internal transfers between accounts; copies of all reports filed with any
29 governmental body including the Federal Election Commission or the Tennessee Registry of
30 Election Finance; copies of all tax returns and schedules and exhibits and all supporting
31 documentation; monthly, quarterly and annual statements of profit and loss and balance sheets;
32 all documentation needed in order for the preparation of the "review" referred to elsewhere; and
33 proper backup (off-site) of all computer records. Records shall be maintained for such periods of
34 time as are required by law, and thereafter as recommended by the Tennessee Republican Party's
35 outside accountants. He shall assist in the performance of a "review," as that term is customarily
36 used by accountants, of the TRP's books and records and financial statements, at the end of each
37 State Chairman's term and whenever the Committee determines that a "review" is needed. He
38 shall be responsible for state and federal financial and election disclosures, and shall represent
39 the Party at any hearings of the State Registry of Election Finance or the Federal Election
40 Commission. The books and records shall be maintained at the principal office of the Tennessee
41 Republican Party, and shall be open to inspection by any member of the Executive Committee at
42 reasonable times. The Treasurer shall report, at each regular or special meeting of the Executive
43 Committee, all receipts and disbursements since the previous meeting. The Executive
44 Committee may require that the Treasurer give a bond to secure the proper performance of his
45 duties. If it does so, the premium for said bond shall be paid from the funds of the TRP. All
46 records of the Treasurer shall be and remain the property of the Executive Committee.
47

1 Section 7. The Vice-Treasurer shall assist the Treasurer in performing his duties. If
2 the Executive Committee requires the Vice-Treasurer to obtain a bond to insure the proper
3 performance of his duties, the premium for said bond shall be paid out of the funds of the TRP.
4

5 Section 8. If an office created in this Article becomes vacant, the Executive
6 Committee shall elect a person to serve during the remainder of the unexpired term. If the office
7 of State Chairman or Treasurer becomes vacant, the Vice-Chairman or Vice-Treasurer shall
8 automatically fill the vacant office temporarily, until the Executive Committee elects a new State
9 Chairman or Treasurer. If the Chairman elected to fill an unexpired term is of the same sex as
10 the Vice-Chairman, it shall not be necessary to replace the Vice-Chairman with a new Vice-
11 Chairman of the opposite sex until the end of the term. If the office of Vice-Chairman becomes
12 vacant, the Vice-Chairman elected to fill the unexpired term shall be of the opposite sex from the
13 person then serving as the elected Chairman.
14

15 **ARTICLE V**
16 **MEETINGS OF THE EXECUTIVE COMMITTEE**
17

18 Section 1. The Executive Committee shall hold at least three (3) regular meetings per
19 year. The State Chairman shall determine the date of each of said regular meetings. However,
20 one (1) of said meetings shall take place on the first or second Saturday of each December
21 (beginning in 1994), and no more than six (6) months shall elapse between regular meetings.
22 Notice of the exact date, time and place of each regular meeting, and principal items on the
23 agenda, shall be mailed to each Officer, member and ex-officio member at least thirty (30) days
24 before the date of said meeting. Substantial compliance with the foregoing notice requirements
25 shall be sufficient, and the extent of the description of the agenda to be included in the notice
26 shall be at the State Chairman's discretion. By January 31 of each calendar year, the State
27 Chairman shall set and provide to members the dates for each meeting to be held during that
28 year.
29

30 Section 2. Special meetings of the Executive Committee can be called by the State
31 Chairman on his own motion, or on the request of at least ten (10) members of the Executive
32 Committee residing in at least four (4) Congressional Districts. Notice of such special meetings
33 shall be given in the manner described in Section 1 above, except that notice may be shortened to
34 10 days for good cause.
35

36 Section 3. A quorum for the transaction of business at an Executive Committee
37 meeting shall consist of thirty-four (34) members present in person or by proxy, but at least
38 twenty-two (22) members shall be present in person except as provided elsewhere in these
39 Bylaws. A majority of those present in person or by proxy at a duly constituted meeting shall be
40 sufficient to vote on any question, unless specifically excepted elsewhere in these Bylaws.
41

42 Section 4. An Executive Committee member may give his proxy to any other
43 Executive Committee member, or to any qualified voter from the same Senatorial District as the
44 member giving the proxy. The proxy shall name the individual authorized to exercise the
45 Executive Committee member's vote. It shall state the date of the meeting for which the proxy
46 shall be effective, and the limitations or instructions, if any, under which the designated proxy
47 shall be voted. No individual shall be permitted to hold and exercise more than two valid

1 Proxies at any meeting.
2

3 Section 5. The most recent revised edition of Robert's Rules of Order shall govern all
4 proceedings of the Executive Committee on matters not specifically covered by these Bylaws.
5

6 Section 6. Except as otherwise provided herein, whenever the Executive Committee
7 is required or permitted to take any action by vote, such action may be taken without a meeting,
8 on written consent by a majority of the full voting membership of the Executive Committee, after
9 the question has been presented to the full voting membership in writing, setting forth the action
10 for which consent is sought. Actions shall not be taken without a meeting on written consent on
11 the following: Election of officers, amendment of the Bylaws, and removal of Executive
12 Committee members or Officers.
13

14 **ARTICLE VI** 15 **SUBCOMMITTEES** 16

17 Section 1. There shall be five (5) standing Subcommittees of the Executive
18 Committee: Bylaws and Rules; Finance and Budget; Issues and Platform; Candidate
19 Recruitment; and Administrative. The State Chairman shall assign every Executive Committee
20 member to at least one (1) standing Subcommittee.
21

22 Section 2. The Administrative Subcommittee shall consist of the State Chairman, the
23 Chairmen of the other four (4) standing Subcommittees, and at least four (4) other members (at
24 least half of whom shall be members of the Executive Committee). The members of such
25 Subcommittee who are not Chairmen of the other Standing Subcommittees shall be appointed by
26 the State Chairman with the advice and consent of the Executive Committee. Under no
27 circumstances shall lists of the TRP's financial contributors be given out without prior approval
28 of the Administrative Subcommittee.
29

30 Section 3. The State Chairman, with the advice and consent of the Executive
31 Committee, shall appoint the Chairmen and members of the remaining four (4) standing
32 Subcommittees. The Chairmen of such Subcommittees shall be members of the Executive
33 Committee. The State Chairman may appoint additional members of such Subcommittees, who
34 are not required to be members of the Executive Committee. Each of the remaining four (4)
35 standing Subcommittees shall have at least one (1) member from each Congressional District.
36

37 Section 4. The Subcommittee Chairmen and members may be removed, with or
38 without cause, either by a majority vote of the full membership of the Executive Committee, or
39 by the State Chairman.
40

41 Section 5. The State Chair, upon election or re-election, shall appoint all
42 Subcommittee Chairman and members in accordance with Article VI, Section 3 of these Bylaws.
43 All Subcommittee Chairman and members shall serve on the Subcommittee until such time as
44 their successors are duly appointed, except in cases of resignation or removal.
45

46 Section 6. The State Chairman shall be the Chairman of the Administrative
47 Subcommittee. Notwithstanding Article III, Section 3, in the absence of the State Chairman, the

1 Chairman of the Bylaws and Rules Subcommittee shall preside over the Administrative
2 Subcommittee. The State Chairman shall also be a voting member of all other Subcommittees.
3

4 Section 7. The State Chairman may create and appoint any special or temporary
5 Subcommittees which he deems to be in the best interest of the TRP. Such Subcommittees may
6 include or may consist of persons other than members of the Executive Committee.
7

8 **ARTICLE VII**
9 **AMENDMENT OF BYLAWS**

10
11 Section 1. These Bylaws may be amended by a majority of the full voting
12 membership of the Executive Committee at any meeting, provided that notice of the meeting at
13 which the vote is to be taken includes a copy of the proposed amendment.
14

15 Section 2. The proposed amendment to the Bylaws may not be amended from the
16 floor at the Executive Committee meeting, unless such amendment is minor and non-substantive,
17 and is passed by acclamation. Any amendment which is not minor or which is substantive shall
18 require re-commencement of the amendment procedure, including notice of the proposed
19 amendment being included with notice of the subsequent Executive Committee meeting at which
20 the proposed amendment is to be considered.
21

22 **ARTICLE VIII**
23 **COUNTY REPUBLICAN PARTIES**

24
25 Section 1. The Republican Party in each County shall adopt Bylaws consistent with
26 and in accordance with those of the TRP and the Republican National Committee, and may adopt
27 additional Rules, which shall also be consistent therewith. County Bylaws and Rules, and any
28 amendments thereto, must be approved by the Rules and Bylaws Subcommittee of the Executive
29 Committee of the TRP, and shall be filed with the TRP immediately after their adoption. The
30 Rules and Bylaws Subcommittee may, for good cause shown, grant waivers of state bylaws.
31

32 Section 2. Each County Executive Committee shall meet at least quarterly. The
33 County Executive Committee is defined as the County Party's elected Republican Party Officers,
34 the State Executive Committee member(s) representing that County, the President of any
35 Tennessee Federated Republican Women's Club in that County, the Chairman of the County
36 Young Republicans, the immediate past County Chairman, and any other members as defined by
37 the County Party's Bylaws. Chairmen or representatives of local political subdivisions within a
38 County, such as Precincts or Council Districts, shall not be voting members of County Executive
39 Committees. If there is not a Tennessee Federated Republican Women's Club or a Young
40 Republicans Club in that County, the State Chairman may appoint a person from that County to
41 represent those constituencies.
42

43 Section 3. Every odd-numbered year, each County Republican Party shall reorganize
44 itself in accordance with procedures set forth in the Rules accompanying these Bylaws, and in
45 accordance with the County Party's Bylaws and applicable Rules. The County Party shall notify
46 the TRP at least 30 days in advance of its convention held for the purpose of reorganizing.
47

1 Section 4. The following shall be requirements for candidacy to county party leadership.
2

3 A. Any individual who is actively involved in the Tennessee Republican
4 Party, his County Republican Party, or any recognized auxiliary organization of either; and
5

6 B. Any individual who has voted in the last three Republican primaries in his
7 county of residence during those primary elections². Younger Republicans who may not have
8 been of legal age for three primary elections must obtain approval from the State Chairman; and
9

10 C. Any individual who is vouched for to the satisfaction of the State
11 Chairman as a bona fide Republican, such as by an officer of the TRP, a member of the
12 Executive Committee, or the Republican party of the County where the individual resides. The
13 State Chairman may require additional verification that the individual in question is indeed a
14 bona fide Republican, and shall have final authority to make the determination.
15

16 Section 5. The County Party Officers shall include a Chairman, a Vice-Chairman of
17 the opposite sex from the Chairman, a Secretary, a Treasurer, a Vice-Treasurer, and such other
18 similar officers, including additional Vice-Chairmen or Directors, as may be deemed appropriate,
19 and as may be provided for in the County Party's duly adopted and approved Bylaws. County
20 Party Officers shall also include the County Party's legal counsel, who shall be appointed by the
21 County Chairman, but who shall not have a vote in that position. A County Party legal counsel
22 shall not be prohibited from simultaneously holding a voting position as a County Party Officer
23 or Executive Committee member. Officers and County Party Executive Committees shall not
24 include Chairmen or representatives of local political subdivisions within a County, such as
25 Precincts or Council Districts. The Vice-Chairman or Vice-Treasurer shall automatically assume
26 the office of Chairman or Treasurer, respectively, on a temporary basis, if either of said offices
27 should become vacant. The County Executive Committee shall proceed to elect a new Chairman
28 or Treasurer, as the case may be, and fill any other office which becomes vacant, by majority
29 vote, at a duly called meeting within thirty (30) days after such vacancy occurs. An officer
30 elected to fill a vacancy shall serve until the next County Party reorganization, and until his
31 successor is duly elected and takes office. A vacancy in a County office occurs if an Officer
32 dies, resigns, changes his residence out of the County, is removed from office, or otherwise
33 becomes disqualified or unable to serve his complete term. No County Chairman shall serve
34 more than two (2) full consecutive terms.
35

36 Section 6. A county party chairman running for public office in a contested
37 Republican primary shall resign his position on the filing date.
38

39 **ARTICLE IX**
40 **MISCELLANEOUS**
41

42 Section 1. The following shall be Party membership requirements for candidacy to
43 public office, and appointment to positions such as Election Commissions. The TRP hereby

² Pursuant to the minutes from the December 3, 2011 State Executive Committee Meeting, the phrase referencing
"the last three Republican primaries in his county of residence", was approved with the understanding that this
would not require one to have voted in three primaries in the same residence. Thus allows for an individual to have
moved from county to county and state to state.

1 defines the term "bona fide Republican," or the like, as:
2

3 A. Any individual who is actively involved in the Tennessee Republican
4 Party, his County Republican Party, or any of recognized auxiliary organizations of either; or
5

6 B. Any individual who has voted in at least two (2) of the four (4) most
7 recent state and/or local Republican primary elections; or
8

9 C. Any individual who is vouched for to the satisfaction of the State
10 Chairman as a bona fide Republican, such as by an officer of the TRP, a member of the
11 Executive Committee, the Republican Party of the County where the individual resides, or a
12 Republican elected official. The State Chairman may require additional verification that the
13 individual in question is indeed a bona fide Republican, and shall have final authority to make
14 the determination.
15

16 Section 2. If a person's bona fide status is challenged, the challenge shall be made to
17 the State Chairman. Such a challenge must be made no later than five (5) days before the
18 deadline for removal of a candidate's name from a ballot under TCA Section 2-5-204 or
19 otherwise, or any other applicable deadline. The State Chairman may require sufficient proof of
20 the challenged individual's status as a bona fide Republican, and the Executive Committee
21 hereby delegates to the State Chairman the authority to make the decision as to whether or not
22 the challenged individual shall be considered a bona fide Republican for the purposes in
23 question.
24

25 Section 3. These Bylaws shall be effective on and after their adoption by the
26 Executive Committee. All previous Bylaws or Rules inconsistent herewith are hereby repealed.
27

28 Section 4. The use of the masculine shall include the feminine and neuter. The use
29 of the feminine shall include the masculine and neuter. The use of the neuter shall include the
30 masculine and feminine. The use of the singular shall include the plural and vice-versa.
31

32 Section 5. These Bylaws are intended to be in conformity with all Bylaws, rules and
33 regulations of the national Republican Party, including the Republican National Committee; with
34 governing federal and Tennessee statutes, rules and regulations; and other law. If any of the
35 foregoing are amended hereafter with the effect that these Bylaws are in conflict therewith, these
36 Bylaws shall be deemed amended to conform therewith. The Executive Committee shall as soon
37 as possible thereafter cause these Bylaws to be expressly amended to conform therewith.
38

39 Section 6. From time to time, the Executive Committee may adopt Rules and
40 Regulations to set forth or govern procedures to be followed, conditions to be met, and actions to
41 be taken by the TRP, the Executive Committee, County Republican Parties, and/or affiliated
42 Republican organizations. Such Rules and Regulations shall have the full force and effect of
43 these Bylaws. The bodies affected by such Rules and Regulations, or changes thereto, shall
44 promptly take such action as is necessary to conform therewith. Such Rules and Regulations
45 shall be adopted or amended in the same manner as amendments to these Bylaws as set forth in
46 Article VII.

**RULES AND REGULATIONS
OF THE TENNESSEE REPUBLICAN PARTY**

**RULE A
REPRESENTATION ON REPUBLICAN NATIONAL COMMITTEE**

Section 1. The Tennessee Republican Party shall be represented on the Republican National Committee by the State Chairman, who shall serve ex officio, and by one (1) National Committeeman and one (1) National Committeewoman, selected as hereinafter provided.

Section 2. Before each quadrennial Republican National Convention, the State Executive Committee shall select the National Committeeman and Committeewoman in the following manner:

A. The State Chairman shall place on the agenda of an Executive Committee meeting, the selection of the National Committeeman and National Committeewoman. The selection of each shall be made separately, and may occur at a regular or a special meeting of the Executive Committee.

B. The State Chairman may promulgate rules concerning the selection procedure, including but not limited to the order of selection, the length of nominating or seconding speeches, and other procedural matters not covered specifically by this Rule or the Bylaws of the Party. Such rules shall be distributed to all members of the Executive Committee at least five (5) days before said meeting.

C. Any member of the State Executive Committee may nominate any qualified individual for either of said offices. Each nomination must be seconded by another member of the Executive Committee.

D. After all nominations are made and seconded, the Executive Committee shall elect the National Committeemen. On the request of any member of the Executive Committee, the voting shall be by secret ballot. The State Chairman shall preside over the election, and may delegate to others such duties as are appropriate to assist him in carrying out the election process and in counting votes. Each qualified member of the Executive Committee shall be entitled to vote at each ballot, but proxies shall not be permitted. "Qualified member" shall mean a member duly elected as provided in the Bylaws, who is not an ex officio member, who is not subject to automatic removal from office, and who has not been removed for other cause.

E. The State Chairman shall have no vote, in the event of a tie or otherwise, unless he is a qualified member of the Executive Committee in his own right.

F. The candidate receiving a majority of the votes shall be the National Committeeman or National Committeewoman. "Majority" shall mean more than one-half (1/2) of the elected and qualified members present, whether or not such members actually cast ballots. Ex officio members of the Executive Committee shall not be counted in determining a majority. If no candidate receives a majority on the first ballot, a "run-off" vote shall be taken between the

1 two candidates receiving the most votes on the first ballot. The candidate attaining a majority in
2 this "run-off" vote shall be declared the winner. If there is a tie vote on the second ballot,
3 succeeding ballots shall be taken until one of the two candidates receives a majority and is
4 thereby elected. Any elected and qualified member of the State Executive Committee who
5 abstains from voting on one balloting shall not be prohibited from voting on a subsequent
6 balloting.
7

8 Section 3. Any bona fide member of the Republican Party duly registered to vote in
9 Tennessee, and residing therein at the time of such election, shall be eligible to hold such office.
10 A National Committeeperson shall cease to be qualified to hold office, and his office shall be
11 deemed vacant, in the event of death, removal of his residence from the State, inability to serve,
12 inattention to duties, by duly tendered and accepted resignation, or for other cause. A National
13 Committeeperson may be removed from office for inability to serve or inattention to duties, or
14 for other cause, if he does not voluntarily resign, pursuant to the procedures set forth in the
15 Bylaws for removal of a State Executive Committee member. In the event of such removal, the
16 action of the Executive Committee shall be final and conclusive for all purposes. Any
17 resignation shall be tendered to the State Chairman. Its acceptance shall be by formal action of
18 the Executive Committee by a duly carried motion or resolution.
19

20 Section 4. Each National Committeeperson shall serve a four (4) year term, or until
21 his or her successor shall be duly elected, unless the Committeeperson ceases to be qualified to
22 hold office, resigns or is removed. There shall be a limit of two (2) successive full terms to
23 which a person may be elected.
24

25 Section 5. If there is a vacancy in the office of National Committeeperson, the State
26 Chairman shall declare the vacancy. Alternatively, the Executive Committee may declare a
27 vacancy by resolution. The State Chairman shall schedule an election to fill such vacancy at a
28 regular or special meeting of the Executive Committee to take place within ninety (90) days
29 thereafter. Said election shall be carried out as provided in this Rule A, but the term of the
30 newly-elected National Committeeperson shall be effective only as to the remainder of the term
31 of office during which the vacancy occurred.
32

33 Section 6. At each Republican National Convention, the Chairman of the Tennessee
34 Delegation to said Convention shall announce and/or certify to such Convention, pursuant to the
35 rules thereof, the selection of the National Committeepersons. Said Convention shall proceed to
36 ratify or confirm such selection as provided by its rules.
37

38 Section 7. If a meeting of the Republican National Committee is held when there is a
39 vacancy in the office of National Committeeman or National Committeewoman for Tennessee,
40 or if a meeting is held at a time when a National Committeeperson cannot attend, the State
41 Chairman shall appoint an Alternate Committeeman or Committeewoman for such meeting (if
42 and to the extent authorized by the rules of the Republican National Committee). Such Alternate
43 shall have and exercise the rights and privileges of such office to the full extent permitted by the
44 Republican National Committee.
45

46 Section 8. If there is a meeting of the Republican National Committee at a time when
47 there is a vacancy in the office of State Chairman, the Vice-Chairman shall substitute for the

1 State Chairman as the ex officio member for Tennessee, if and to the extent permitted by the
2 Republican National Committee.

3
4 Section 9. If there is a conflict between this Rule A and any applicable rules of the
5 Republican National Committee, the latter shall govern.

6
7 **RULE B**
8 **PRESIDENTIAL ELECTORS**

9
10 Section 1. The Tennessee Republican Party hereby adopts this Rule to provide for
11 the selection of Republican nominees for Presidential Elector, as defined by TCA Sections 2-15-
12 101 through 2-15-105.

13
14 Section 2. After the first Tuesday in May and before the first Tuesday in September
15 of each Presidential election year, or before any earlier deadline set by applicable law, the State
16 Executive Committee shall elect one (1) Elector for each Congressional District, who shall be a
17 resident of such District, and two (2) Electors for the State at large. When selected, those names
18 shall appear on the ballot as the Electors representing the Republican candidates for President
19 and Vice-President of the United States, and who shall perform the duties of a Presidential
20 Elector as defined by the laws of Tennessee and the United States then in effect. When
21 performing the duties of a Presidential Elector, he shall vote for the candidates for President and
22 Vice-President who are the nominees of the national Republican Party, unless one or both of said
23 persons has ceased to be the national Republican Party's nominee, in which case he shall vote for
24 an individual approved by the Tennessee Republican Party, unless prohibited from doing so by
25 federal or state statute, a binding court ruling, or the Rules of the Republican National
26 Committee.

27
28 Section 3. The State Chairman shall call for the selection of Electors at a regular or
29 special meeting of the Executive Committee. The State Chairman shall appoint a Nominating
30 Committee pursuant to Article VI, Section 7 of the Bylaws, which shall nominate a slate of
31 proposed Electors prior to the time when notice of the Executive Committee meeting is required
32 to be sent. Additional nominations may be made from the floor at such meeting. The State
33 Chairman shall adopt rules to govern the holding of the election, as provided in Rule A above.

34
35 **RULE C**
36 **ELECTION OF DELEGATES TO REPUBLICAN NATIONAL CONVENTION**

37
38 Section 1. Three (3) Delegates to the Republican National Convention shall be
39 elected from each Congressional District, on the ballot in the Tennessee Presidential Preference
40 Primary. The Delegates and Alternates from each Congressional District shall be bona fide
41 Republicans, and bona fide residents of and legally registered voters in the District for which
42 they are Delegates and Alternates.

43
44 Section 2. The remaining number of Delegates, as determined by the rules of the
45 Republican National Committee, shall be allocated as follows: Half shall be elected from the
46 State at large on the ballot in said Presidential Preference Primary. The remaining number of
47 Delegates, including any odd number, shall be appointed from the State at large by the Executive

1 Committee, with the advice and consent of the respective Presidential campaigns. A
2 corresponding number of Alternates to such Delegates shall be appointed from the State at large
3 in the same manner, separately from the selection of Alternates to elected Delegates under
4 Section 3 below. At large Delegates and Alternates shall be bona fide Republicans, and bona
5 fide residents of and legally registered voters in Tennessee.
6

7 Section 3. The official campaign of each Presidential candidate earning Delegate and
8 Alternate positions shall offer Alternate positions to those persons who unsuccessfully sought
9 election to be Delegates, having already met the approval of that Presidential campaign. Each
10 such Delegate candidate shall be offered the right of first refusal to a position as an Alternate to a
11 seat for which he was a candidate, in descending order based on the popular vote count. If all of
12 the positions for a candidate's Alternates are not filled from among such candidates for Delegate,
13 the Presidential campaign shall then choose any bona fide Republican as such Alternate. The
14 position of Alternate to an uncommitted Delegate, if such is created, shall be filled from those
15 seeking election as uncommitted Delegates, in descending order of votes received.
16

17 Section 4-A. District Delegate and Alternate Entitlements. For the purpose of
18 determining the entitlement to District Delegates and Alternates by Presidential candidates, the
19 provisions of this Section shall apply, as follows:
20

21 A Presidential candidate receiving more than two-thirds (2/3) of the votes in
22 any Congressional District shall be entitled to three (3) Delegates and Alternates from that
23 Congressional District.
24

25 If no Presidential candidate receives more than two-thirds (2/3) of the votes in any
26 Congressional District, the plurality winner is entitled to two (2) Delegates and Alternates from
27 that District, and the candidate receiving the next highest number of votes receives one (1)
28 Delegate and Alternate; provided, however, that if the plurality winner receives more than
29 twenty percent (20%) and the number of votes received by the next highest candidate is less than
30 twenty percent (20%), the plurality winner is entitled to three (3) Delegates and Alternates.
31

32 If no Presidential candidate receives more than twenty percent (20%), each of the
33 three (3) candidates receiving the highest number of votes shall receive one (1) Delegate and
34 Alternate.
35

36 Section 4-B. At-Large Delegate and Alternate Entitlements. For the purposes of
37 determining the entitlement to At-Large Delegates and Alternates by Presidential candidates, the
38 provisions of this Section shall apply, as follows:
39

40 A Presidential candidate receiving more than two-thirds (2/3) of the votes cast in
41 the Presidential Primary, canvassed on a statewide basis, shall be entitled to all At-Large
42 Delegates and Alternates allocated to Tennessee under the Rules of the National Republican
43 Party.
44

45 If no Presidential candidate receives two-thirds (2/3) of the votes cast statewide in
46 the Presidential Primary, the At-Large Delegates and Alternates shall be apportioned among the
47 candidates receiving more than twenty percent (20%) of the statewide vote, in the ratio which the

1 number of votes received by each such candidate who received more than twenty percent (20%)
2 of the statewide vote bears to the total of all such candidates receiving more than twenty percent
3 (20%) of the statewide vote, rounding fractional Delegates and Alternates upward to the next
4 whole number beginning with the Presidential candidate receiving the largest number of votes.
5

6 If no Presidential candidate receives more than twenty percent (20%) of the statewide
7 vote, the At-Large Delegates and Alternates shall be apportioned among such candidates in the
8 ratio which the number of votes received by each candidate bears to the total statewide vote,
9 beginning with the Presidential candidate receiving the highest number of votes, and rounding
10 fractional Delegates and Alternates to the second highest candidate in the same manner, and so
11 forth, until the Delegates and Alternates to be apportioned have been fully awarded.
12

13 Section 5. If a duly selected Delegate dies, resigns, or is otherwise unable or fails to
14 attend the Republican Convention or any session thereof, his Alternate Delegate shall succeed to
15 such office during the absence of the Delegate. If, more than thirty (30) days before the
16 convention, a Delegate's position becomes vacant and is not filled by his Alternate or if an
17 Alternate's position becomes vacant, the position shall be filled in accordance with Paragraph 3
18 above. If such a vacancy is not filled by thirty (30) days before the convention, it shall be filled
19 in the manner described in the following sentence. If, thirty (30) or fewer days before the
20 convention or during the convention, a Delegate's position becomes vacant and is not filled by
21 his Alternate, or if an Alternate's position becomes vacant, the Tennessee Delegation shall meet,
22 and by majority vote of those present, elect a resident of Tennessee, and of the appropriate
23 Congressional District (if applicable), to fill the vacant Delegate or Alternate position.
24

25 Section 6. If, after a Presidential Primary election in which a certain Presidential
26 candidate earns Delegate positions, the Presidential candidate withdraws from the race, his
27 Delegate(s) and Alternate(s) shall continue to have the right to attend the Convention. If any of
28 them does not attend the Convention, the Tennessee Delegation shall meet not more than thirty
29 (30) days before the Convention and, by majority vote of those present, elect a replacement
30 Delegate or Alternate.
31

32 Section 7. The TRP, through its staff personnel, shall assist in seeing that the
33 procedures set forth in this Rule C are carried out properly and on time.
34

35 Section 8. If any provision of this Rule C is contrary to the Rules and Call of a
36 Republican National Convention, the Rules and Call of the Convention shall govern; and the
37 State Executive Committee shall be entitled to rely upon any written opinion of the General
38 Counsel of the Republican National Convention. If any provision of this Rule causes a
39 mathematically impossible result, the Executive Committee is hereby authorized to modify the
40 provision so that a mathematically possible result occurs.
41

42 **RULE D**

43 **CONGRESSIONAL DISTRICT EXECUTIVE COMMITTEES**

44

45 Section 1. Each Congressional District composed of more than one County shall be
46 permitted to have a Republican Congressional District Executive Committee, composed of three
47 (3) members from each County or portion of a County located within the Congressional District.

1 Such Committee shall perform such functions as it deems appropriate, including but not limited
2 to fostering communication within the District and working to elect Republican candidates to
3 offices voted on by the voters of the entire District.
4

5 Section 2. Each County or portion of a County in such a Congressional District shall
6 have three representatives on its Congressional District Executive Committee, consisting of the
7 County Republican Party Chairman and two other persons elected as such at the previous
8 biennial County convention. If any County fails to elect the two members other than the County
9 Republican Party Chairman, the two other members shall be the County Secretary and Treasurer
10 elected at such biennial convention. Each County Republican Chairman shall notify the State
11 Chairman, and the Chairmen of the other County Republican Parties in the same Congressional
12 District, of the names and addresses of its members of its Congressional District Executive
13 Committee.
14

15 Section 3. Each Congressional District Executive Committee shall have a Chairman,
16 Secretary and Treasurer, and such other Officers as the Committee shall desire to elect. The
17 Officers shall be elected at a meeting to be held during March of each Presidential election year.
18 The Committee Chairman shall call such meeting, and shall give the Committee at least thirty
19 (30) days' notice of the date, time and place of such meeting. The Committee may also conduct
20 such other business at such meeting as it deems appropriate.
21

22 Section 4. Any Congressional District Executive Committee shall adopt Bylaws
23 which, along with any amendments thereto, shall be approved by and promptly filed with the
24 State Executive Committee. Said Bylaws shall provide whether or not voting by proxy shall be
25 allowed; and, if so, whether proxies may be given to any other registered Republican voter from
26 the same County, or restricted to other Congressional District Executive Committee members
27 from the same County.
28

29 Section 5. In the election of Officers and on all other matters on which votes are
30 taken by a Congressional District Executive Committee, the members from each County shall be
31 entitled to cast one vote for each one thousand (1,000) votes or fraction thereof cast by their
32 respective Counties, or their respective portions of Counties, for the Republican Presidential
33 nominee in the last Presidential election. However, no County shall have fewer than three (3)
34 votes. The number of votes to which each County is entitled shall be prorated among the
35 Committee members from said County, with fractions of votes being permitted, if necessary.
36

37 Section 6. Any dispute within a Congressional District Executive Committee
38 concerning the election of Officers or any other matter may be appealed to the State Executive
39 Committee by filing with the State Chairman a statement setting forth the dispute. The State
40 Chairman shall notify all interested parties concerning said dispute, of the time and place when
41 the appeal will be considered by the State Executive Committee, which may dismiss the appeal
42 or render a decision, either with or without hearing any evidence or holding a hearing.

RULE F
COMPREHENSIVE RULE GOVERNING COUNTY PARTY REORGANIZATION

41
42

Part I--General

43
44
45
46
47

Section 1. County Republican Parties shall reorganize themselves between January 1 and March 31 of each odd numbered year. Such reorganizations shall be accomplished in the manner set forth in these Rules. If any County Party desires to use a method of reorganization differing from these Rules, its County Chairman and Secretary shall, by January 1 of any odd-numbered year, certify to the State Chairman in writing its proposed reorganization rules, which

1 are subject to approval or disapproval by the TRP Bylaws and Rules Subcommittee. If the
2 proposed rules are disapproved by the TRP Bylaws and Rules Subcommittee before the
3 beginning of the County Party's reorganization process, the County must follow the procedures
4 set forth herein, unless before the beginning of the reorganization process the Executive
5 Committee overrides the decision of the TRP Bylaws and Rules Subcommittee. Before
6 certifying its proposed reorganization rules to the State Chairman, the proposed County rules
7 must previously have been approved by a majority of a County Convention or the County
8 Executive Committee. The certification to the State Chairman by the County Chairman and
9 Secretary shall state the date and manner of adopting said proposed County rules, and shall
10 represent that, to the best of their knowledge, information and belief the Convention or Executive
11 Committee meeting at which such proposed County rules were adopted was held in the spirit of
12 fairness, and that fair notice and the opportunity for full participation were given.
13

14 Section 2. Counties having a population of at least 100,000 people according to the
15 last official U. S. Census shall reorganize by means of a Precinct Delegated Convention.
16 Counties having a population of under 100,000 people according to the last official U. S. Census
17 shall have the choice of reorganizing by means of a Precinct Delegated Convention or by means
18 of a Mass Convention.
19

20 Section 3. A. On or before the January 1 of each odd numbered year, the County
21 Chairman shall call a meeting of the Executive Committee of the County Party (as defined by
22 Article VIII, Section 2 of the TRP Bylaws, that is, the County Party's elected Republican Party
23 Officers, the State Executive Committee member(s) representing that County, the President of
24 any Tennessee Federated Republican Women's Club in that County, the Chairman of the County
25 Young Republicans (or a representative of those two constituencies appointed by the State
26 Chairman), the immediate past County Chairman, and any other members as defined by the
27 County Party's Bylaws), by written notice sent at least 15 days before such meeting. Such
28 meeting shall take place on or before January 15 of each odd numbered year. At such meeting,
29 the Officers present shall constitute a quorum. If the County Chairman fails to call the meeting,
30 the State Chairman shall appoint a temporary County Chairman to carry out the procedures for
31 reorganizing the County Party.
32

33 B. In Counties having a population of at least 100,000 people, such meeting
34 shall fix the time, date and places for the Precinct Conventions and for the Precinct Delegated
35 County Convention.
36

37 C. In Counties having a population under 100,000 people, such meeting shall
38 determine whether the County Convention shall be a Precinct Delegated Convention, or a Mass
39 Convention; and shall fix the time, date and place of such Convention. If such Convention is to
40 be a Precinct delegated convention, such meeting shall also fix the time, date and place(s) of the
41 Precinct Conventions, which shall be held at least fifteen (15) days before the County
42 Convention.
43

44 D. At such meeting, in any event, the County Chairman shall appoint, with
45 the approval of the Officers present, a Parliamentarian and a Contest and Credentials Committee
46 for the County Convention. The Contest and Credentials Committee shall consist of five (5)
47 members from five (5) separate Precincts within the County.

1
2 Section 4. The duties of the Contest and Credentials shall include the following:
3

4 A. It shall prepare instructions for the holding of the Precinct Conventions, if
5 applicable, including the proper number of Delegates to be chosen by each Precinct. The
6 number of Delegates to be elected from each Precinct shall be determined from the official
7 voting records of the last Presidential General Election, and shall be certified in writing and
8 delivered to the existing Precinct Chairman, or person serving in his stead as described in Part II,
9 Section 3A below, along with the ballots for the election of Precinct Officers and Delegates, and
10 certification forms to be used for the Precinct Convention proceedings.
11

12 B. It shall prepare ballots for the election of Precinct Officers and Delegates,
13 certification forms for reporting the results of the elections in the Precinct Conventions, a form
14 for affirmation of Republican allegiance (the form of which is attached hereto as Exhibit A), and
15 any other forms deemed necessary or appropriate for use in the reorganization of the County
16 Party.
17

18 C. It shall meet after the Precinct Conventions and before the County
19 Delegated Convention and review the certifications received from each newly elected Precinct
20 Chairman, and take such other actions as are specified in Part II, Section 5 below.
21

22 D. It shall hear and determine any contests of elections at Precinct
23 Conventions, subject to appeal to the County Delegated Convention as a whole, in the manner
24 set forth below.
25

26 E. Meetings of the Contest and Credentials Committee shall be open to the
27 public.
28

29 Section 5. At least ten (10) days before the Precinct Conventions in a county which
30 reorganizes by means of a Precinct Delegated Convention, and at least ten (10) days before the
31 County Convention in a county which reorganizes by means of a Mass Convention, the County
32 Chairman shall cause to be published in a newspaper of general circulation within said County
33 (no less than 10,000 circulation in Counties having over 100,000 population) a paid
34 advertisement stating the date, time and place for the holding of each Precinct Convention. The
35 Precincts shall have the same geographic boundaries as the Precincts in the previous November
36 general election. Such advertisement shall also specify the date, time and place, and the purpose,
37 for holding the Precinct Delegated Conventions to reorganize the County Party. The
38 advertisement shall also state the name and address of the Chairman of the Contest and
39 Credentials Committee, and shall specify the deadline for filing contests as to the results of any
40 Precinct Convention.
41

42 **Part II--Precinct Conventions**

43

44 Section 1. On the date and at the time and place(s) specified, a Precinct Convention
45 shall be held for each Precinct within the County. The purpose of such Conventions shall be the
46 election of Delegates and Alternate Delegates from such Precinct to the Delegated County
47 Convention, as well as the election of a Precinct Chairman, Vice-Chairman and such other

1 Officers as may be desired, and the transaction of such other business as may be appropriate.
2

3 Section 2. The order of business for the Precinct Convention shall be as follows:
4

5 A. The then-existing Precinct Chairman shall convene the meeting. If he is
6 unable to be present, the Precinct Vice-Chairman, if any, shall preside. If there is no Vice-
7 Chairman, the Precinct Chairman may designate in writing a temporary Chairman to act in his
8 place and stead. If there is no functioning Precinct Chairman or Vice-Chairman, the County
9 Chairman shall designate in writing a temporary Chairman.
10

11 B. The next order of business shall be the resolution of any challenge to a
12 citizen's right to vote and participate in the Precinct Convention. Any Republican citizen who is
13 duly registered to vote in, and resides in, the Precinct shall be entitled to vote and participate in
14 the Precinct Convention. Any citizen whose loyalty to the Republican Party is questioned may
15 be challenged by any other citizen present and qualified to participate. The challenged citizen
16 shall be entitled to vote and participate in the Convention upon his public and written affirmation
17 of his allegiance to the Republican Party on the form duly furnished by the County Chairman or
18 the Contest and Credentials Committee as set forth on Exhibit A attached hereto.
19 Notwithstanding the foregoing, no person who is then holding office as a Democrat shall be
20 allowed to vote and participate in a Precinct or County Party Convention. If a citizen's
21 residence or registration to vote in the Precinct is challenged, he shall vote on a paper ballot
22 which shall be counted, marked and set aside. If such citizen is determined not to be duly
23 registered to vote in said Precinct, and not to be a resident thereof, his vote and participation
24 shall be null and void. A prospective delegate shall present a valid photo I.D., and the county
25 Contest and Credentials committee shall verify the delegates registered voter status.
26

27 C. The next order of business shall be that the Chairman of the meeting shall
28 designate two (2) Clerks, who shall assist in distributing, collecting and counting ballots, and
29 shall perform such other tasks as are assigned by the Chairman of the meeting.
30

31 D. The next order of business shall be the election of a new Precinct
32 Chairman and other Officers as mentioned above. Precinct Officers shall be elected by majority
33 vote of the qualified citizens present and voting. Runoffs shall be held, if necessary to determine
34 a majority. The newly elected Precinct Chairman shall upon his election assume the chair and
35 preside at the remainder of the Precinct Convention.
36

37 E. The next order of business shall be the election of the Precinct's Delegates
38 to the Delegated County Convention.
39

40 1. The total Republican vote in the last Presidential general election
41 shall be the basis on which shall be determined the number of Delegates to be elected. In
42 Counties having populations of more than 100,000 in the last U. S. Census, the Precinct shall be
43 entitled to one (1) Delegate for each 200 Republican votes, or majority thereof, in that Precinct.
44 Fractional Delegates shall not be permitted. In Counties having populations of fewer than
45 100,000 in the last U. S. Census, the Precinct shall be entitled to one (1) Delegate for each 100
46 Republican votes, or majority thereof, in that Precinct.
47

1 2. If Early Voting in the Presidential Election was conducted in such
2 a manner that it is not possible to ascertain the Republican Presidential vote from Early Voting in
3 each Precinct, then the total Republican Presidential votes cast during Early Voting shall be
4 divided pro rata among the Precincts. Thus, if 5% of the Republican Presidential vote on
5 Election Day was cast in a Precinct, then that Precinct shall be apportioned 5% of the Republican
6 Presidential votes during Early voting. In that manner, the total number of Republican
7 Presidential votes shall be determined for each Precinct.

8
9 3. Each qualified citizen present and participating in the Precinct
10 Convention shall be entitled to vote for the number of Delegates to which such Precinct is
11 entitled. No proxies shall be permitted.

12
13 4. The floor shall be opened for nominations for Delegates. The total
14 vote for each candidate for Delegate shall be recorded. Delegates in the number allotted to such
15 Precinct shall be elected in order of the highest total vote received. In case of a tie vote, all
16 names involved in the tie shall be used in consecutive Delegate positions. A runoff shall be used
17 if necessary to fill the last Delegate position. All Delegates must be Republicans duly registered
18 to vote in, and residing in, the Precinct at the time of the Precinct Convention. Alternate
19 Delegates shall also be elected, in a number up to the number of Delegates elected. Candidates
20 for Delegate who did not receive sufficient votes to be elected Delegate shall become Alternates,
21 in descending order of the number of votes cast for each person. In case of a tie, the method
22 described herein above shall be used for electing Alternates.

23
24 F. The Precinct Convention shall then proceed to such other business as may
25 be appropriate.

26
27 Section 3. If any Precinct fails to hold a Precinct Convention, or fails to elect
28 Delegates at such Convention, then promptly after the Delegated County Convention, the newly
29 elected County Chairman shall appoint a Precinct Chairman and other Precinct Officers and
30 committee members from qualified Republicans who reside and are registered to vote in such
31 Precinct, to serve until the next County Reorganization. The County Chairman shall not,
32 however, appoint Delegates to the County Convention.

33
34 Section 4. Within three (3) business days after the Precinct Convention, the newly
35 elected Precinct Chairman shall certify the results of the election of Precinct Delegates to the
36 County Chairman or the Chairman of the Contest and Credentials Committee, on forms
37 prescribed and furnished by the Contest and Credentials Committee. The newly elected Precinct
38 Chairman shall also furnish a list of the names and addresses of the citizens who voted and
39 participated in the Precinct Convention. The names and addresses of Delegates to the County
40 Convention shall be available to the public. The ballots cast in the Precinct Convention shall be
41 preserved by the Precinct Chairman until after the Delegated County Convention. If the results
42 of the election are timely contested, or the certification is rejected by the Contest and Credentials
43 Committee, the ballots shall be promptly delivered to the Chairman of that Committee, to be
44 preserved until any possible contest has been finally resolved, or the time for filing any further
45 contest has expired.

46
47 Section 5. Within seven (7) calendar days after the Precinct Conventions, the Contest

1 and Credentials Committee shall meet and review all certifications made pursuant to Section 5
2 above. If it rejects any certification, the Chairman of the Committee shall, within twenty-four
3 (24) hours thereafter, notify in writing any Delegate whose credentials have been rejected,
4 specifying the time and place at which any contest of such rejection shall be heard.
5

6 Section 6. If there is a contest of any election at a Precinct Convention, the Contest
7 and Credentials Committee shall hear and resolve the same. Any citizen participating in any
8 Precinct Convention may contest the results by filing with the Chairman of the Contest and
9 Credentials Committee at the address specified in the newspaper advertisement of the Precinct
10 Conventions, a written notice of contest stating the specific legal and factual grounds therefor.
11 Such notice of contest shall be filed within five (5) business days after the Precinct Convention.
12 At the meeting held pursuant to the foregoing Section, the Contest and Credentials Committee
13 shall fix the time and place for hearing all contests filed pursuant to this Section; and the
14 Chairman shall notify the contestants and the contested Delegates of the time and place for
15 hearing such contests. Contestants may be represented by counsel at such contest hearings. The
16 Committee or any contestant may cause a record to be made of such hearing. All contests shall
17 be heard and decided at least twenty-four (24) hours before the Delegated County Convention.
18 The determination of the Contest and Credentials Committee may be appealed to the County
19 Convention as a whole in the manner provided elsewhere herein.
20

21 **Part III--County Conventions**

22

23 Section 1. At the time, date and place specified, the County Convention shall meet to
24 reorganize the County Party. Whether said Convention is a County Delegated Convention or a
25 Mass Convention shall be determined on the basis described in Part I, Sections 2 and 3 above.
26

27 Section 2. The order of business at the County Convention shall be as follows:
28

29 A. The County Chairman shall convene the Convention. If he is unable to be
30 present, the County Vice-Chairman, if any, shall preside. If there is no Vice-Chairman, the
31 County Chairman may designate in writing a temporary Chairman to act in his place and stead. If
32 there is no functioning County Chairman or Vice Chairman, the State Chairman may designate
33 in writing a temporary Chairman.
34

35 B. The following procedures shall only apply to Delegated county
36 Conventions:
37

38 i. Only Delegates (including Alternates, if applicable) certified by
39 the Contest and Credentials Committee shall be allowed on the floor of the Convention.
40

41 ii. The report of the Contest and Credentials Committee shall be read,
42 and the Secretary shall call the roll of Precincts to determine if a quorum is present. The
43 presence of Delegates representing one-third (1/3) of the Precincts in the County shall constitute
44 a quorum.
45

46 iii. The Convention shall then proceed to hear and determine any
47 appeals from actions of the Contest and Credentials Committee. Contestants shall be entitled to

1 appear on the floor and present their appeals. The contests shall be heard in the numbered order
2 of Precincts, and, within Precincts, in alphabetical order. Each contest shall be determined by a
3 majority vote of the Delegates voting in the manner heretofore prescribed. The certified
4 Delegates whose seats are in question shall not be entitled to vote, but all other Delegates,
5 including those whose seats may be the subject of a later contest, may vote on such contest. If
6 any contesting Delegate is seated by the Convention, such Delegate shall immediately take his
7 place in the Convention, and shall be entitled to full participation thereafter.

8
9 iv. On any divided vote, a roll call may be requested by any Delegate.
10 The roll call shall be called by Precinct in numerical order and, within Precincts, in alphabetical
11 order. Each Precinct shall be entitled to one (1) vote for each Delegate (including Alternates,
12 where applicable) present and voting. Use of the unit rule shall not be permitted.

13
14 C. The following procedures shall apply to Mass Conventions: The next
15 order of business shall be the resolution of any challenge to a citizen's right to vote and
16 participate in the Mass Convention. Any Republican citizen who is duly registered to vote in,
17 and resides in, the County shall be entitled to vote and participate in the County Mass
18 Convention. Any citizen whose loyalty to the Republican Party is questioned may be challenged
19 by any other citizen present and qualified to participate. The challenged citizen shall be entitled
20 to vote and participate in the Convention upon his public and written affirmation of his
21 allegiance to the Republican Party on the form duly furnished by the County Chairman or the
22 Contest and Credentials Committee as set forth on Exhibit A attached hereto. If a citizen's
23 residence or registration to vote in the County is challenged, he shall vote on a paper ballot
24 which shall be counted, marked and set aside. If such citizen is determined not to be duly
25 registered to vote in said County, and not to be a resident thereof, his vote and participation shall
26 be null and void.

27
28 D. The next order of business shall be the election of a new County
29 Chairman, which shall be determined by a majority of the votes cast. There shall be a run-off
30 election between the two candidates receiving the highest number of votes, if necessary. The
31 newly elected County Chairman shall upon election assume the chair and preside over the
32 remainder of the Convention.

33
34 E. The meeting shall then proceed to the election of other Officers of the
35 County Party, including a Vice-Chairman of the opposite sex from the Chairman, a Secretary, a
36 Treasurer, a Vice-Treasurer, and such other Officers, including additional Vice-Chairmen, as
37 may be deemed appropriate, subject to the Tennessee Republican Party Bylaws and Rules.

38
39 F. At least two (2) Clerks appointed by the Chairman of the Contest and
40 Credentials Committee shall tally the votes and perform such other functions as are assigned by
41 the Chairman of the meeting. The Contest and Credentials Committee shall oversee the voting.

42
43 G. The County Convention shall then proceed to such other business as may
44 have been included in the Call of the meeting, and such other business as it deems appropriate.

45
46 H. Except as otherwise provided in these Bylaws and Rules, or the duly
47 approved County Party Bylaws or Rules, the County Convention shall be conducted in

1 compliance with Robert's Newly Revised Rules of Order.
2

3 **Part IV--Certification of County Executive Committee**
4

5 Within ten (10) calendar days after the County Party reorganization, whether by Precinct
6 Delegated Convention or Mass Convention, the newly elected County Chairman and Secretary
7 shall certify in writing to the State Chairman the following:
8

9 1. The names and addresses of all members of the newly elected County Executive
10 Committee;
11

12 2. The names and addresses of the newly elected Officers of the County Republican
13 Party;
14

15 3. The names and addresses of the newly-elected Precinct (or Council District)
16 Chairman and Vice-Chairmen of the County Republican Party; and
17

18 4. The names and addresses of all Delegates participating in a Precinct Delegated
19 Convention, or of all persons participating in a Mass Convention, whichever is applicable.
20

21 **RULE G**
22 **CONTESTS OF RESULTS OF COUNTY REORGANIZATIONS**
23

24 Section 1. If any qualified Republican seeking to be elected to County Party office,
25 and in attendance at the County Convention, should desire to contest the results of the elections
26 at such Convention, a contest is deemed to exist. Likewise, if two (2) certifications are received
27 by the State Chairman for the same office, then a contest is deemed to exist.
28

29 Section 2. A contestant shall file a Notice of Contest with the State Chairman within
30 five (5) calendar days after the County Convention, and shall simultaneously serve a copy of
31 such Notice on the County Chairman, other County Officers, and all contestees affected by such
32 contest. Such Notice of Contest shall state with particularity the factual and legal basis for such
33 contest.
34

35 Section 3. Within ten (10) calendar days thereafter, the contestant shall file with the
36 State Chairman a memorandum or brief supporting the contest. A copy of such memorandum or
37 brief shall be served on the same parties listed in Section 2 above, and on their counsel, if any
38 have appeared. Within seven (7) calendar days thereafter, the contestee or contestees may file
39 with the State Chairman a response and any supporting memorandum or brief that they deem
40 appropriate; and shall serve a copy thereof on the parties listed in Section 2 above and on their
41 counsel, if any. Such memoranda or briefs shall include any supporting affidavits,
42 correspondence or other documents to be relied upon as evidence.
43

44 Section 4. The State Chairman shall call a meeting of the Executive Committee, to
45 take place after the expiration of the periods set forth in Sections 2 and 3 above, to consider such
46 contest. With the notice of such meeting, the State Chairman shall mail to all members and
47 Officers of the Executive Committee copies of the Notice of Contest, Response(s), and

1 supporting memoranda or briefs.
2

3 Section 5. The State Chairman may, in his discretion, appoint a special committee
4 before such meeting, to review the Notice of Contest, Response(s), and supporting memoranda
5 or briefs. Such committee may also hear any further testimony or statements which the
6 contestants might desire to submit. Such committee shall make a recommendation to the
7 Executive Committee as to the disposition of the contest. The Executive Committee, in its
8 discretion, may hear and consider other matters besides the recommendation of the special
9 committee. If a special committee is not appointed, the Executive Committee shall hear the
10 testimony or statements of the contestants. In either event, each contestant shall be given equal
11 opportunity to present his position on the issue. The contesting party shall have the privilege of
12 opening and closing. The Executive Committee shall have full power to adopt other rules and
13 procedures as may be appropriate for and pertinent to the hearing. Upon completion of the
14 hearing, the Executive Committee shall take such action as it may deem fit in the disposition of
15 said contest.
16

17 Section 6. While a contest exists, all checks or monies disbursed out of County funds
18 must be approved by the State Chairman.
19

20 **RULE H**
21 **REMOVAL OF COUNTY OFFICERS**
22

23 Section 1. A County Party Chairman, shall automatically cease to hold office, and a
24 vacancy shall exist, in the event of change of his place of voter registration outside the County
25 which he serves; or the County Party Chairman may be removed for "cause" by action of the
26 State Chairman and the State Executive Committee in a manner similar to that described in
27 Article III, Section 4 of these Bylaws and Rules, upon written request signed by two-thirds (2/3)
28 of the County Executive Committee.
29

30 Section 2. The rules for removal of any County Party Executive Committee Member
31 except the County Chairman, shall be determined by the County Party Bylaws. In the event that
32 rules for removal of County Party Executive Committee Members are not described in County
33 Bylaws, the following State Party rules shall apply.
34

35 Section 3. A member shall be automatically removed for having been physically
36 absent from three (3) consecutive committee meetings. By a two-thirds (2/3) vote, the County
37 Executive Committee may move for the removal for cause of any member of the County
38 Executive Committee, excluding the Chairman. This action shall be filed with the State
39 Chairman and signed by the necessary number of members of the County Executive Committee.
40

41 Section 4. The action for removal for a County Executive Committee Member, other
42 than the Chairman, shall specify the grounds, and include a statement of the facts, and any

44 notice for a full hearing of the action and response, such hearing to be conducted by the County
45 Chairman. A copy of such shall be served on the members of the County Executive Committee
46 affected by such action, and their counsel, if any.
47

1 Section 5. Within ten (10) calendar days thereafter, the affected member may file
2 with the County Chairman a response and supporting brief and documentation. A copy of the
3 same shall be served on those requesting the removal from office, and their counsel, if any.
4

5 Section 6. Three-fourths (3/4) of the entire County Executive Committee shall be
6 required to be present in order to constitute a quorum at such special meeting.

9 voting at such meeting shall be required for removal.
10

11 Section 8. If a member of the Executive Committee is removed, his successors shall
12 be elected in the same manner and by the same procedures specified for the filling of a vacancy
13 of an officer by the County Executive Committee under the provisions of Article VIII, Section 4.
14

15 **RULE I**
16 **LOCAL CANDIDATE NOMINATIONS**
17

18 Section 1. The purpose of this Rule is to authorize and provide additional methods,
19 other than by Party primary, for the nomination of Republican candidates for any office in which
20 only the voters within a single County (or portion thereof) are entitled to vote.
21

22 Section 2. The County Executive Committee for each County in the state is hereby
23 authorized to decide whether or not Republican candidates for local or County offices shall be
24 nominated and, if so, whether they shall be nominated by a Party primary or by a County
25 Convention. Such decision shall be made at a meeting of the County Executive Committee duly
26 called for such purpose. Such meeting shall be held more than fifteen (15) days before the
27 candidate qualifying deadline as provided in TCA Section 2-5-101, as it may be amended from
28 time to time. Such meeting may be called either by the County Chairman or by a majority of the
29 members of the county Executive Committee, by giving each member seven (7) days' prior
30 written notice of the date, time, place (within the County) and purpose thereof.
31

32 Section 3. In Counties having a population of at least 100,000 people according to
33 the latest U. S. Census, a County Convention shall be a Delegated County Convention. In
34 Counties having a population under 100,000 people according to the latest U. S. Census, a
35 County Convention may be either a Delegated County convention or a Mass Convention.
36

37 Section 4. If the County Executive Committee decides to nominate Republican
38 candidates by either of the Convention methods, a time, date and place for holding such
39 Convention shall be fixed; provided that the date of such Convention shall be before the first
40 Thursday in May before the August election. The pertinent provisions of Rules F and G above
41 shall govern the procedures for advertising and giving notice of such Convention, the selection
42 of Delegates, the conduct of the Convention, the certification of nominees, contests, etc.
43

44 **RULE J**
45 **JUDICIAL COMMITTEES**
46

47 Section 1. For each Judicial District lying in more than one County or part of a

1 County, this Rule shall govern the selection of candidates for Chancellors, Circuit Judges,
2 District Attorney General and Public Defender.

3
4 Section 2. If any County Executive Committee within a Judicial District chooses to select
5 candidates for said office to run as Republicans, it is the responsibility of the County Executive
6 Committee to notify the State Party of their intention and request that a Judicial Committee be
7 formed. In the event that no County Party contacts the State Party, the Chairman of the State
8 Party may also call for the formation of the Committee.

- 9
10 A. The State Chairman may appoint a temporary Judicial Committee Chairman to be
11 responsible for notification to all Counties or partial Counties within the Judicial
12 District.
13
14 B. The Judicial Committee member(s) from each County or portion of a County shall be
15 appointed by the County Executive Committee in each respective County lying
16 wholly or partly in the Judicial District in question.
17
18 C. Each County Executive Committee shall appoint two persons to the Judicial
19 Committee, which shall not exceed 15 members. In the event the Committee would
20 exceed 15 members, each County or portion of a County in the Judicial District,
21 starting with the smallest population, in ascending order, shall have only one member.
22 Should one or more County Parties within a Judicial District not have a recognized
23 County Party, the State Party shall act on behalf of the respective County or Counties.
24
25 D. The Committee shall be constituted at a time sufficiently in advance of deadlines for
26 candidates to qualify.
27
28 E. The Judicial Committee may meet by teleconference or in person, but the Chair of the
29 Judicial Committee must give at least three (3) days notice to each County or part of a
30 County lying within the Judicial District.

31
32 Section 3. The Judicial Committee shall decide by a majority vote whether the Republican
33 nominee for each office within the Judicial District will be selected by Primary or Delegated
34 Convention.

- 35 A. If the Judicial Committee decides to hold a Delegated Convention they shall publish
36 notice in a newspaper or newspapers of general circulation in each of the Counties as
37 a whole or part, within the Judicial District at least ten (10) days prior to the
38 qualifying deadline.
39
40 B. If the Judicial Committee decides that positions will be nominated by a Primary, each
41 County Executive Committee within the Judicial District must submit a written letter
42 to their County Election Commission and provide a copy of the letter to the Judicial

1 Committee Chair and State Party prior to the deadline defined in TCA Section 2-13-
2 203 (d).

3
4 i. Once the Judicial Committee decides that the open positions within the
5 Judicial District will be nominated by primary, all County Executive
6 Committees, even if they voted against the primary, must file the appropriate
7 letter with the respective County Election Commission. The State Party will
8 act on behalf of any County that does not have a County Party and file the
9 appropriate notice.

10
11 ii. In such an event that a position within a Judicial District is to be filled in a
12 year when no spring primary will take place and a County or part of a County
13 lying within a Judicial District will not be holding a primary for any other
14 position, it will be left to the discretion of the respective County Executive
15 Committee whether to call for the Primary. If the County Executive
16 Committee chooses to not call for the Primary, but the Judicial Committee has
17 decided on nominating by means of a primary, the County Executive
18 Committee may not hold a Delegated Convention.

19
20 C. If the Judicial Committee decides that positions will be nominated by Delegated
21 Convention, the convention shall be held in a manner provided for in Rule F and
22 contests shall be determined in a manner provided for in Rule G.

23
24
25 ii. Each County or portion thereof shall be entitled to one (1) vote for each 100
26 votes cast for the Republican Presidential candidate in the most recent
27 Presidential election prior to the date of said Delegated Convention.

28
29 iii. The Chairman of the Judicial Committee shall certify the nominee to the
30 Coordinator of Elections as is required by TCA Section 2-13-203, as may be
31 amended from time to time, and to the State Party. The Committee shall take
32 such other actions as may be required by state or federal law, rule or
33 regulation.

34
35 D. If the Judicial Committee decides that it shall hold neither a Primary nor Delegated
36 Convention, an individual County Executive Committee can opt to call for the open
37 positions in the Judicial District to appear on the Primary ballot in their County. In
38 such an event, the County Executive Committee must notify their County Election
39 Commission and the State Party as is required in TCA Section 2-13-203(d).

40 Section 4. The Judicial Committees shall carry out their duties in such a manner as to be
41 neutral, fair and objective and to give all qualified persons a fair opportunity to seek the office to
42 be filled.

3 **RULE K**
4 **BREAKING TIE VOTES IN CONTESTED REPUBLICAN PRIMARY ELECTIONS**

5 This Rule K is adopted pursuant to TCA § 2-8-114, as it may be amended from time to
6 time. This Rule is intended to govern the procedure for casting the deciding vote in any
7 Republican primary election in which the vote, as certified by the County Election Commission
8 under TCA § 2-8-101, et seq., is a tie between or among two or more Republican candidates.
9

10 Section 1. In case of a tie vote between or among two or more Republican candidates
11 in a primary election, the Executive Committee, in its capacity as the State Primary Board, shall
12 cast the deciding vote. The State Primary Board shall hold a meeting within five (5) days after
13 the tie vote has been officially certified by the Coordinator of Elections under TCA § 2-8-113;
14 provided, however, that the State Primary Board shall hold its meeting and cast the deciding vote
15 no later than seven (7) days before the qualifying deadline, even if the Coordinator of Elections
16 has not officially certified the vote by that date. If it appears that there is a tie vote, based upon
17 the certification of the election results by the County Election Commission under TCA § 2-8-
18 101, et seq., then the State Chairman or his appointee may prepare for and give notice of the
19 holding of a State Primary Board meeting to take place as soon as the tie vote has been certified
20 by the Coordinator of Elections, or by seven (7) days before the qualifying deadline. The
21 meeting of the State Primary Board shall be permitted to take place telephonically. If the
22 meeting is telephonic, a roll call vote shall be taken. If a determination is made that ballots are to
23 be cast under governing rules of procedure, telecopied ballots shall be permitted, so long as they
24 are received by the State Chairman or his delegate within one (1) calendar day after the meeting,
25 but if a ballot is not received, the roll call vote cast by the State Primary Board member in
26 question shall be counted as his vote. The quorum for such meeting shall be the same as the
27 quorum for a meeting of the Executive Committee, and the winning candidate shall be chosen by
28 a majority vote of those present at the meeting, in person or telephonically. In case of a tie vote,
29 the State Chairman shall cast the deciding vote. The State Primary Board's decision shall be
30 final.
31

32 Section 2. If the tie vote occurs in a Republican primary election within a single
33 county, the deciding vote shall be cast by the County Primary Board of that county, as the
34 delegate of the State Primary Board. The County Primary Board shall conduct an actual (not a
35 telephonic) meeting, and the votes of 3 County Primary Board members shall be necessary in
36 order to determine the winning candidate. Such meeting shall be held within five (5) days after
37 the Coordinator of Elections has certified the results of the election as provided in TCA 2-8-113;
38 provided, however, that the County Primary Board shall hold its meeting and cast the deciding
39 vote no later than seven (7) days before the qualifying deadline, even if the Coordinator of
40 Elections has not officially certified the vote by that date. If it appears that there is a tie vote,
41 based upon the certification of the election results by the County Election Commission under
42 TCA 2-8-101, et seq., then the County Primary Board may prepare for and give notice of the
43 holding of a County Primary Board meeting to take place as soon as the tie vote has been
44 certified by the Coordinator of Elections. The County Primary Board shall notify the State
45 Chairman of its decision, or the fact that it did not reach a decision, immediately after the
46 conclusion of its meeting. Any candidate shall be permitted to appeal the decision of the County
47 Primary Board, to the State Chairman. Notice of such appeal shall be communicated to the

1 County Primary Board, the other candidate(s) involved, and the State Chairman, no later than 48
2 hours after the decision of the County Primary Board; and such communication shall be by
3 telecopy, electronic mail, or other means of instantaneous communication. The candidate so
4 appealing shall send all documents which he wishes to bring to the attention of the State
5 Chairman in such a manner that they are received by the State Chairman within 24 hours after
6 the notice of appeal is given. Any other candidate shall send any additional documents in such a
7 manner that they are received by the State Chairman within 24 hours thereafter. The State
8 Chairman, as the delegate of the State Primary Board, shall determine such appeal, and the
9 winner of the primary election. Additionally, if the County Primary Board is unable or refuses to
10 meet, or to decide the winner of the primary election, the State Chairman shall decide the winner
11 of the primary election. If such an appeal is made to the State Chairman, or if the State
12 Chairman decides the winner due to the County Primary Board's inability or refusal to do so, his
13 decision shall be final.

14
15 Section 3. Proxies shall not be permitted at the meeting of the State Primary Board or
16 the County Primary Board under this Rule K.

17
18 Section 4. If it appears that any primary election has resulted in a tie vote, the County
19 Party, the candidate(s), or other interested persons shall so notify the State Chairman or his
20 appointee, immediately, by telephone, telecopy, or other means of instant communication. The
21 State Chairman or his appointee shall be kept fully informed of all developments with respect to
22 the situation. The State Chairman or his appointee shall notify and instruct the State Primary
23 Board, the County Primary Board, the candidate(s) involved, and any other person whom the
24 State Chairman directs, as to the procedures to be followed in order for the State Primary Board,
25 the County Primary Board, or the State Chairman to carry out its or his duties, including setting
26 times by which interested parties must furnish documents that they wish to be considered by
27 either the State Primary Board or the Chairman. The determinations to be made and the deciding
28 votes to be cast under this Rule, by the State Primary Board, the County Primary Board, or the
29 State Chairman, shall be made and cast in the manner provided herein, based upon the
30 information (written and/or oral) made available to it or to him under the existing circumstances,
31 including the time constraints under which it or he must operate. Meetings shall be conducted
32 according to the Tennessee Republican Party Bylaws insofar as is reasonably practicable (except
33 for the informality of notice of meetings necessitated by this Rule K) and parliamentary
34 procedure; but the meetings are not judicial proceedings, and rules of civil procedure, rules of
35 evidence, and other legal procedures shall not be applicable.

36
37 Section 5. Notwithstanding any provision of this Rule K, all action necessary to
38 determine the winner of the primary election shall be taken and completed in time to enable the
39 State Primary Board, or the State Chairman as its delegate, to certify the results to the
40 Coordinator of Elections in a timely manner, under the governing statutes.
